

ALL BIDS REJECTED AT BIG STATE WOOL POOL SALE MONDAY

Mason County Wool Has Highest Offer of Any County in Big State Wool Auction—Farmers Will Hold Clip For Higher Price.

County Agent George Kirk is at home from Lexington where on Monday he represented the members of the Mason County Wool Pool in the big state auction held at the Central warehouse in that city. He reports that there were 24 counties of the state represented in the pool and that about 700,000 pounds of wool was offered, bids for which averaged by counties from 38 to 49.6 cents.

The successive bids were promptly rejected and the sentiment among the 200 odd farmers present was that they would hold their wool for a year before selling at the prices offered by the buyers.

Mr. Kirk was instructed by the Mason county poolers to hold the Mason county offerings for a price not below 55 cents while it seemed to be the opinion of the wool growers from other sections of the state that 60 cents should be demanded before selling.

Mason county made a splendid showing at the sale. The bids on Mason county wool were from 42 cents on the 1/4 blood combing to 52 cents on 3-8 blood combing. Our wool graded considerably above the average with a low per cent. of rejections or dead, catted, berry and black wool.

MANY CARPENTERS LAID OFF.

Mr. Joseph Simons, general contractor, who has been employing a large list of carpenters during the Spring and summer months, has been able to catch up with his rush work and a large number of these workmen were laid off Monday at noon. Several of these carpenters are contemplating going to other cities to find work for the balance of the summer.

CAMP-MEETING BOARD WILL MEET SATURDAY

Final Arrangements for Big Campmeeting Will Be Made at Ruggles On Saturday.

The Board of Directors of Ruggles Campmeeting Association will meet next Saturday, July third at the campgrounds. This will be one of the most important meetings of the board. Final preparations will be made for the campmeeting which will be held this year from Thursday, July 29th to Sunday, August 8th, inclusive. While the principal privileges were let at the spring meeting there remains yet much to do in the way of arrangements for the meetings.

Those who have cottages engaged since last year and who do not expect to attend this year should notify the Board at this meeting. There are many applicants for cottages just waiting patiently for some one to give up their cottage so they can have a chance. The Board hopes by next year to have a new building somewhat on the order of the Kentucky Inn so that all who desire to attend may secure rooms.

"Old Settler's Day" is always a busy one for the campmeeting board. And as this will no doubt be the biggest meeting the old settlers have ever had it is only natural that the Campmeeting Board will have plenty to do.

WILSON IN COMPLETE CONTROL OF CONVENTION

Administration Men Are Chosen For All Important Posts at San Francisco.

San Francisco, June 29.—Administration forces went into the second day of the Democratic National convention apparently in full control of the situation. Senator Glass of Virginia, as chairman of the Resolutions committee; William J. Bryan, excluded from the sub-committee of nine chosen to draft the platform, while Bainbridge Colby, sits as the representative of President Wilson; Senator Joseph T. Robinson of Arkansas, another staunch Administration supporter, chosen for permanent chairman of the convention, and Administration men at the head of other committees was the line-up brought out of what had promised to be a contest. The threatened anti-Administration fight so far as it relates to the organization of the convention machinery, collapsed without a showing.

BRYAN MAY BACK FORMER SPEAKER IN DEADLOCK

Commoner and Champ Clark Believed To Have Patched Up Old Differences—Drift To Clark Predicted.

Washington, June 29.—There are strong indications here today that the Champ Clark forces at San Francisco have come to an understanding with William Jennings Bryan.

The plan now determined upon, according to reports reaching Washington through reliable channels, is that Bryan, reversing his action at Baltimore in 1912, will throw the full weight of his influence to Clark as soon as the time appears to be ripe for this move.

Eight years ago Bryan turned the tide from Clark to Wilson after the Missouriian had gained a majority.

This time, it is said, his effort will be to bring a "break" to Clark.

This plan, however, is predicated on the theory that the expected Wilson third term nomination coup will fail, if actually attempted, and that the McAdoo boomers are unable to roll up the required two-thirds majority for the President's son-in-law.

If neither Wilson nor McAdoo stampedes the convention, it is believed certain that a deadlock will develop. Those on the inside of the Clark-Bryan movement are confident that Palmer and Cox will begin to drop back after the first ballot, and that none of the dozen or more aspirants will display any dangerous strength.

Clark supporters here are extremely reticent in discussing the Bryan story. Some of the former speaker's friends not directly connected with the movement point to Bryan's refusal yesterday to discuss candidates as significant in view of his previous remarks regarding Owen and Meredith. The Commoner is expected to back Owen after he permits his alternate to carry out the primary instruction to vote for Senator Hitecock and then shift to Clark when it becomes apparent that Owen can not "go over."

The drift to the former speaker, it is predicted by one enthusiastic Clark man here, will begin late Wednesday or Thursday.

Senator Reed of Missouri, if he is permitted to use his proxy after being denied a seat on his own account, is counted on as a strong supporter of Clark when the move gets definitely under way, and Senator Walsh, of Massachusetts, also is expected to throw his influence to the former speaker.

CHECK NO GOOD AND OWENS IS HELD FOR CIRCUIT COURT

Brother Unable To Raise Sufficient Funds To Gain Release of Dora Owens Who Is Held in Jail.

Circuit Clerk James B. Key displayed keen judgment in refusing to release Dora Owens brought here Monday from Higginsport, Ohio, under indictment for obtaining money falsely, until he found that a check offered by Owens' brother as bond, was good.

Mr. Key's bank was notified by the Higginsport bank late Monday that the check for \$500 would not be honored as Owens' brother did not have that amount of money in bank. It now develops that the brother did not have the funds to meet the check but expected to be able to raise the needed amount to gain his brother's freedom and the check was accepted with the understanding that the amount would be raised or Owens would be held in jail.

The failure of the Higginsport bank to advance the needed money means that Owens will be compelled to remain in the Mason county jail until the September term of the Mason Circuit Court unless in the meantime a gilt edge bond worth \$500 can be furnished to Circuit Clerk James B. Key.

Mr. Barrett will remain in Maysville until the crew arrives and will begin at once putting up the advertising matter.

The advance man announced that the Superintendent of the Maysville chautauqua will be Mr. J. A. Higdon and that Miss Lily N. Coburn would be the Junior Leader. Mr. Barrett had no information about either the Superintendent or Junior Leader but said that Colt-Alber was quite fortunate this year in having an unusually fine lot of workers.

The advance sale of season tickets has not been this year what the committee would like for it to have been and every person who expects to take in the big meeting should purchase their ticket just as soon as possible.

BOY GAINS FREEDOM FROM JAIL ON WRIT OF HABEAS CORPUS

Laid Fifteen years of Age Was Too Young For Trial in City Court and Gains Release From Jail.

Judge C. D. Newell, of the Mason Circuit Court, released Willie Nace, 15 years of age, from the Mason county jail this afternoon on a writ of habeas corpus, the first issued in Mason county in many years.

It will be remembered that young Nace was arrested several weeks ago on a charge of stealing a bicycle and tried in the City Police Court. He was held to the September Grand Jury and in default of bail was sent to jail where he has since been confined.

Attorney Frank P. O'Donnell was employed by the boy's father and two affidavits were obtained showing that the boy was but 15 years of age and was therefore being unlawfully confined as the Police Court had no jurisdiction over a juvenile. After the release of the boy by Judge Newell this afternoon he was taken immediately before Juvenile Judge Purnell, who set next Saturday morning as the time for a hearing of the case. Judge Purnell allowed the boy to go on his own recognizance.
